

six days not four. If all goes well, for the first three days we will not have to carry overnight kit. For the last two or three days we will have to carry whatever we need.

On days one to three, it will be possible for people to drop out if too tired or if injured. We will cross a number roads or tracks where a road crew can pick people up. However, once we enter the marble mountains on day -vr ve will have till-vve76. The(4onopl)15(20) TJETBT1 0 0 1 72.02690
